

A Memorandum of Understanding (MoU) was made and entered on **03/04/2023** by and between the **Yi-YUVA (YOUNG INDIANS)**., and **Department of Artificial Intelligence and Machine Learning**, New Horizon College of Engineering, Bengaluru. Yi youth is the strongest vehicle for India's present and future development. Its vertical **YUVA** empowers passionate college students from across the country to take the lead and shape the growth of India. The numerous leadership projects and initiatives of the vertical shape and refine today's young students into tomorrow's influential leaders.
