

NEW HORIZON COLLEGE OF ENGINEERING

Department of Artificial Intelligence & Machine Learning

SEMINAR ON “EXPLORING OPPORTUNITIES: STUDYING ABROAD”

The department of Artificial Intelligence & Machine Learning had organized a seminar on “**Exploring Opportunities: Studying Abroad**” on 17th November 2023 at Falconry Seminar Hall by Mr. Yashas D, Mr. Zameer, Mr. Pratheek.

Objective:

The objective of the lecture series was to provide insights on Globally top ranked universities that are located abroad, offering students access to world-class education and research opportunities.

Description:

Mr. Yashas D started the session and gave insights about highly paid Jobs. Furthermore he narrated, how studying abroad enhances student’s career prospects with higher salaries. He also discussed about p work permit and destinations abroad that offer 2 years PSW, which is an amazing opportunity to live and work there after graduation.

Mr. Zameer discussed about Permanent Residency (PR) and also how Studying abroad offers a hassle-free approach to getting a quick & easy pathway to a PR without any time-

consuming criteria. He also discussed the affordability of the higher education in foreign countries. Most study abroad destinations have affordable fees and numerous ways to self-finance courses, including education loans, Internship & part time jobs.

Mr. Prateek also gave information regarding fundings and procedure to apply loans. He also gave loan approved statistics. After the session many students interacted with Mr. Prateek and acquired the knowledge about education loan and procedure for that.

About 98 participants have attended the program and the lecture was useful being informative to all attendees.
