On the 22nd of April, a Session was conducted on International Relations Expedition.

Mr Joel Noronho is an experienced professional in the field of international education, with an experience of 15 years in the industry. He has provided guidance and counselling to over 5000 students worldwide. Mr. Joel Noronho, currently serving as the Head of Operations - Karnataka & Kerala at AECC Global, brings over 8 years of dedicated service to the organisation. With a background in international education, Mr. Noronho has extensive experience in enhancing operational excellence within the industry.

During his presentation, Mr. Joel Noronho meticulously detailed the study abroad opportunities in Australia and the United States through a series of informative slides. In the case of Australia, he provided insights into the different intake periods, highlighted top universities renowned for their academic excellence, and elucidated various scholarship opportunities available to international students. Additionally, Mr. Noronho shed light on the additional opportunities such as internships and research programs that enhance the overall educational experience in Australia.

Similarly, for the United States, he discussed about the intake periods, showcased prestigious universities, and emphasized the abundance of scholarship offerings aimed at supporting international students. The presentation encapsulated a thorough analysis of the study abroad landscape, providing valuable guidance for prospective students seeking educational opportunities in these countries.

Mr. Joel Noronho not only delivered comprehensive insights into study abroad opportunities but also engaged with students by attentively addressing their questions and concerns. With genuine interest, he provided thorough responses, further enriching the discussion and ensuring clarity on various aspects of studying abroad.

Moreover, Mr. Noronho took the opportunity to highlight the free services provided by AECC Global, emphasising the organisation's commitment to supporting students throughout their educational journey. By offering these complimentary services, such as guidance on university selection, application assistance, and visa processing, AECC Global aims to facilitate a seamless transition for students pursuing international education.
