DATE : 29/06/2024,Saturday

VENUE:IBM LAB

REPORT

Venue: IBM LAB

Date: 29/06/2024

Agenda:

Department of Artificial Intelligence & Machine Learning conducted a Parent-Teacher meeting for the academic year 2023-2024 (even semester) for IVth and VIth semester students on 29/06/2024,Saturday at IBM lab of AIML department. Dr.N V Uma Reddy ,HoD, Department of Artificial Intelligence and Machine Learning addressed the gathering.

Brief on Meeting:

Dr. N V Uma Reddy, Professor & HoD, Dept of Artificial Intelligence and Machine Learning greeted the parents. The faculty members, mentors and the class in-charges were present at the venue. Various activities conducted by the department attendance, internal exam evaluation, Placements, Internships, Activity points, Social connect and responsibility, lab exam instructions, extra curricular activities was discussed in the meeting. Parents were also asked to motivate the students to participate in technical events conducted by department and college. The meeting concluded with open discussion. Parents enquired about placement percentage of last year batch and the measures taken for this year. The parents were satisfied and expressed gratitude for the faculty members for their effort towards the improvement of their wards. A high tea was arranged for the parents and they were directed to meet in person the concerned mentors of their ward. The overall attendance, CIE1&CIE2 result analysis, status of internal assessment submissions, HRD portal activities of individual students were discussed with the respective parents.

Some photographs taken in registration and mentor -parent session is included below.

Feedback:

After the successful meeting with the mentors and subject teachers ,a feedback was collected from the parents.
