<b>Event Name</b>	<b>Visit to Nisarga Grama</b>
<b>Details</b>	<p>A social outreach program can be a powerful way for students, faculty, and staff to engage with the community, apply their skills for the public good, and foster a sense of social responsibility. As part of this program a visit to Nisarga Grama was arranged by NHCE. The Faculty (Dr. Umamaheswaran and Prof. Ramesh Prasad R) from the AIML department along with 14 students (4<sup>th</sup> &amp; 6<sup>th</sup> semester) went to Sparsha Trust, which operates shelters for underprivileged children, manages two facilities: one for boys (Nisarga Grama) and another for girls (near Makkala Dhama). Students had a rewarding experience interacting with some of the children from these shelters. The shelter staff guided the students on a tour of the campus, showcasing the facilities available for the kids.</p>
