Industrial Visit to "The 27th Edition of Bengaluru Tech Summit 2024"

Event Description:

Department of AI & ML, NHCE had organized an industrial visit to "**The 27th Edition of Bengaluru Tech Summit 2024" Hosted by Department of Electronics, IT&BT, Govt. of Karnataka**.

Organized by: Govt. of Karnataka
Date: 21st November 2024
Time: 10:00 am - 3:00 pm
Venue: Bengaluru Palace.

On November 21, 2024, the AIML department of New Horizon College of Engineering organized an industrial visit to the 27th edition of the Bengaluru Tech Summit 2024. This summit, renowned for showcasing advancements in technology and innovation, provided an excellent learning opportunity for our students.

The visit commenced with the departure of two faculty members along with 60 enthusiastic students from the college at 9 AM. Upon arrival at the summit venue at 10 AM, the students were greeted with a vast array of exhibits and sessions designed to inspire and educate future tech leaders.
Throughout the day, from 10 AM to 3 PM, students explored various stalls and interacted with industry professionals, gaining invaluable insights into the latest trends in artificial intelligence, machine learning, and other cutting-edge technologies. The summit also featured several keynote speeches and panel discussions, which offered students a deeper understanding of real-world applications and the impact of technological advancements on various industries.

The hands-on experience and exposure to innovative technologies left a lasting impression on the students. They returned to college with newfound knowledge and a greater appreciation for the practical applications of their studies.

Overall, the visit to the Bengaluru Tech Summit 2024 was a resounding success, fostering both educational and professional growth among the students. Such initiatives are instrumental in bridging the gap between academic learning and industry expectations, preparing students for future challenges in the rapidly evolving tech landscape.
