REPORT

Venue: IBM LAB-II

Date: 28/03/2026.

Agenda:

Department of Artificial Intelligence & Machine Learning conducted a Parent-Teacher meeting for the academic year 2025-2026. Even for final year students on 28/03/2026, Saturday at IBM Lab -2 of the AIML Department.

Brief on Meeting:

Dr. N V Uma Reddy, Head of the Department, greeted all attendees and provided an overview of the various activities conducted by the Department of Artificial Intelligence and Machine Learning. All faculty members of the department were present for the interaction with the parents. The parents met respective subject handling faculty members to check the performance of their ward . The parents of those students who have less attendance have been informed.

Parents raised queries regarding internship opportunities and placements. These concerns were effectively addressed by the mentors, class teachers, placement coordinators, and the HoD. Mentors explained parents, how to use Contineo portal to check students' performance. Parents expressed their satisfaction and gratitude for the detailed responses and support provided.

As part of the programme:

- Parents were treated to high tea.
- They were then guided to meet their ward's respective mentors for one-on-one interaction.

Some photographs from the registration and mentor-parent interaction session are included below.

Feedback:

After the successful meeting with the mentors and subject teachers, a feedback form had been taken from the parents to improve the quality of the department in future.
