REPORT

Venue: AIML DEPARTMENT

Date: 09/05/2026.

Agenda:

Department of Artificial Intelligence & Machine Learning conducted Parent-Teacher meeting for the academic year 2025-2026/Even for 3rd and 2nd year students on 09/05/2026, Saturday in respective classrooms of AIML department.

Brief on Meeting:

Dr. N. V. Uma Reddy, Head of the Department, welcomed all the attendees and briefed the parents about the various initiatives and activities organized by the Department of Artificial Intelligence and Machine Learning. All faculty members of the department were present for the parent interaction session. Parents met the respective subject faculty members to review the academic performance of their wards. The attendance status and the CIE 1 marks of students were also communicated to the parents. During the interaction, parents raised queries related to internship opportunities and placement activities. These concerns were addressed effectively by the mentors, class teachers, placement coordinators, and the HoD. Mentors also guided the parents on how to access and use the Contineo portal for monitoring student performance and academic progress. Parents expressed their appreciation and satisfaction with the support, guidance, and detailed clarification provided by the department.

As part of the program:

- Parents were treated with high tea.
- They were then guided to meet their ward's respective mentors for one-on-one interaction to discuss the academic performance of their ward.

Some photographs from the mentor-parent interaction session are included below.

Feedback:

After the successful meeting with the mentors and subject teachers ,a feedback form has been taken from the parents to improve the quality of the department in future.
