Agenda:

Department of Artificial Intelligence & Machine Learning conducted Parent-Teacher meeting for the academic year 2026-2027/Odd for 3rd semester, 5th semester and 7th semester students on 14/11/2026, Saturday at C block in AIML department.

Brief on Meeting:

Dr. Vandana C P, Head of the Department, greeted all attendees and provided an overview of the various activities conducted by the Department of Artificial Intelligence and Machine Learning. All faculty members of the department were present for the interaction with the parents. The parents met with the respective subject handling faculty members to check the performance of their ward. Parents of students who have low attendance were informed about attendance status. Parents raised queries regarding internship opportunities and placements. These concerns were effectively addressed by the mentors, class teachers, and the HoD. Parents expressed their satisfaction and gratitude for the detailed responses and support provided.

As part of the program:

- Parents were treated to high tea.
- They were then guided to meet their ward's respective mentors for one-on-one interaction.

Some photographs from the registration and mentor-parent interaction session are included below.

Feedback:

After the successful meeting with the mentors and subject teachers, a feedback form has been taken from the parents to improve the quality of the department in future.
